

#### **Team-based Financial Advisor**

At Prime Capital we are dedicated not only to our clients, but to our financial advisors as well. As such we are able to attract and maintain a solid team of respected and passionate financial experts who are steadfastly committed to Prime [Power of the Team Approach](#) as they consistently act with integrity and professionalism on behalf of their clients. Being a part of the Prime team means that you are supported not only with the high-quality products, resources, and tools your clients require but also with the opportunities to expand and deepen your own knowledge base and practices in the financial field.

At Prime Capital, we seek only the brightest, most talented individuals to join our team. If you envision joining a firm that will provide you with the resources to grow, while having access to high-quality products and the tools your clients require, we may be the right fit for you! Prime Capital is approaching \$5 Billion of Assets Under Advisement, with 140+ team members, and 10 locations. Our top advisors are growing their gross revenue at an average of 20.59% each year. If you are looking to work as a team, looking for a stable and tested approach to the DOL changes, and are wanting to grow, Prime Capital might be the firm for you.
