

Ninth Annual Career Day

Friday, September 29, 2017

American Century

4400 Main Street

Kansas City, MO 64111

The Greater Kansas City Financial Planning Association is pleased to invite your company to participate in the 9th Annual Career Day. The objective of the annual event is to connect students with financial planning professionals in the Kansas City Metro area.

The day is structured to facilitate networking between students and area professionals. It is a great opportunity for your firm to provide information regarding internship and employment opportunities for students and career changers. We encourage your company to get involved as a way to give back to the industry by sharing your experiences with the student attendees.

The plan, subject to change, is for you to be available during the Career Day from 11:00am to 2:00pm. We will first ask each sponsor to give a three minute “elevator speech” to the entire audience. Then students will be available in small groups to visit every sponsor table. You will have the opportunity to speak with every student in attendance about your firm and the opportunities your firm has to offer. The students come from a variety of majors in the financial services industry. Our invitee list includes students from the following schools:

Avila University

Baker University

Donnelly College

Emporia State University

Kansas State University

Metropolitan Community College

MidAmerican Nazarene College

Missouri Southern University

Northwest Missouri State

Ottawa University

Park University

Pittsburgh State

Rockhurst University

University of Kansas

University of Missouri Columbia

University of Missouri Kansas City

Washburn University

Wichita State University

William Jewell

We encourage you to get involved and make this annual event a valuable experience for local students. If you and your company are interested in participating, please complete the following and return with payment to FPAGKC.

If you have questions, please contact Alison Connell at 785.215.6125 or alison@fpakc.org.
